

# Download Sickle Cell Anemia Yahoo Answers

My fiancée is a carrier and his nose has always bled when he was a child. Now it is starting again. He said it bleeds once a month or so and that scares me. I have a project on sickle cell anemia. I have to interview on 3 people with sickle cell. Email best choice. Best Answer: The links will give you more information. Here are two brief overviews: Sickle cell anemia is an inherited form of anemia — a ... I just had a baby girl 4 weeks ago and got back her PKU results today. She carries the trait for sickle cell anemia (like her father) and I was wondering

...
